## Cass County Sandbag & Clay Levee Progress

CASS COUNTY, N.D. (April 25, 2013) - By this afternoon over 100,000 sandbags have been delivered throughout Cass County. Sandbag delivery efforts will continue through Saturday pending no significant change in the forecast.

Construction of clay levees is nearing completion in the Chrisan development. Crews will be moving to the Forest River Road and 76 Ave South area later today or early tomorrow.
