Tactical Operations Center Opens

CASS COUNTY, N.D. (April 22, 2013) - The Cass County Sheriff's Office opened their Tactical Operations Center (TOC) this morning at 7:00am. The TOC will remain open 24 hours per day throughout flood efforts. The public information line for the TOC is (701) 297-6000. Media related inquiries can go directly to Public Information Officer, Sgt. Tara Morris at (701) 298-2318 – MEDIA LINE ONLY.

Sandbag deliveries will begin throughout Cass County beginning today with the focus early this week south of town, specifically the river side of locations where clay levees will be constructed. Today, a trap bag levee will be placed at Stockmans, north of Cass County Road 20. Construction of clay levees will begin tomorrow.

Sandbags can be picked up by the public from 8am – 5pm at the Highway Department, 1201 West Main Ave, West Fargo. Hours for sandbag pick up may be altered depending on the need.
