Dear Community Business Leader,

The Cass County Youth Commission is seeking sponsorships for a raffle to be held in the spring of 2012. The proceeds from this event will support Make-A-Wish Foundation®, a charity that helps children suffering from a severe illness and life threatening medical conditions to have their "wish" come true. This program helps families spend time with the ailing child in a fun, safe environment.

We are looking for sponsors to donate cash or prizes to aide in making this a successful event.

We will provide the names of our valued sponsors in our promotional literature to recognize your charitable act.

We hope you will consider supporting the youth in our community by making a donation to the Cass County Youth Commission. As our motto says, "We can make a difference." Thank you for your consideration.

Checks can be made to: Cass County Youth Commission

Sincerely,

Charlotte Sandvik
