January 3, 2014

Dear Community Business Leader,

The Cass County Youth Commission is an organization of Cass County high school juniors and seniors who were selected by their principals to participate in the program. The goals of the Youth Commission are to learn about government, engage in leadership building activities, and get involved in the community.

The Cass County Youth Commission is seeking sponsorships for charitable events to be held in the coming months of 2014. The proceeds from these events will support Make-A-Wish Foundation®, a charity that helps children suffering from a severe illness and life-threatening medical conditions to have their "wish" come true. This program helps families spend time with the ailing child in a fun, safe environment.

We are looking for sponsors to donate prizes, or services to aide in making this a successful event.

In lieu of prizes or services we gladly accept cash donations to become a sponsor of the Youth Commission.

We will provide the names of all our sponsors in our promotional literature.

We hope you will consider supporting the youth in our community by making a donation to the Cass County Youth Commission. As our motto says, "We can make a difference." Thank you for your consideration.

Checks can be made to: Cass County Youth Commission
Attn: Charlotte Sandvik
PO Box 2806 Fargo, ND 58108

Sincerely,

Charlotte Sandvik
Cass County Treasurer
