

LICENSE FEES 309

Effective Date: 02/01/2016

If a professional license or certificate is required for the performance of job duties, then the County will pay the following license fees:

- For full-time employees, the County will pay 100% of the license fee.
- For part-time employees, the County will pay a pro-rated share of the license fee.

For purposes of this policy, a determination as to full-time or part-time will be made as of the start of the calendar year.

The County will pay dues in a single state/national association for each County department, as approved in the annual budget.
