Public Asked to Report Violations

The North Dakota Game and Fish Department encourages hunters, anglers and landowners who have witnessed a fish or wildlife violation to file a report with the Report All Poachers program.

RAP is a cooperative project between the Game and Fish Department, State Radio Communications and the North Dakota Wildlife Federation. The RAP line offers rewards – from \$100 to \$1,000 depending on the nature and seriousness of the crime – for information that leads to conviction of fish and wildlife law violators. Reports can also go directly to game wardens or other law enforcement agencies. Callers can remain anonymous.

Witnesses should note vehicle description, including make, color, license plate number and state issued. Description of the violator should also be considered.

Witnesses should report a violation by calling the RAP telephone number at (800) 472-2121. RAP will then contact the local game warden immediately. If the witness gives the RAP operator a phone number, the witness will be contacted right away.
