FOR IMMEDIATE RELEASE

March 12, 2015

The Roy Chandler VFW Post 762, Fargo, generously donated \$1000 to the Cass/Clay Veterans Gap Fund on March 11, 2015, at their monthly post meeting.

Several years ago, Cass and Clay Counties worked on a joint effort to create a fund source for the Veterans of Cass and Clay Counties. This fund would assist Veterans in very urgent need or under extreme circumstances and emergencies when no other option was readily available.

The funds are for Veterans of Cass or Clay County who meet certain eligibility requirements. Representatives at the Cass County or Clay County Veterans Service Offices screen the applicants for eligibility and authorize disbursement of funds as needed.

This fund has been sanctioned by both county commissions and is held and maintained by the Fargo-Moorhead Area Foundation. It is funded strictly by private donations.

You can send donations to the Fargo-Moorhead Area Foundation, Attn: Cass/Clay Veterans Gap Fund, 502 1st Ave N, Suite 202, Fargo, ND 58102 or drop a check/money order off at your County Veterans Service Office.
