

A section of Meridian Road (County 11) will be closed June 14 to allow for the reconstruction of this road and underground utilities. This section of road will be closed for approximately four (4) to five (5) months. During this period, truck traffic will need to use the detour route by using the Kindred exit, 165th Ave SE, and Highway 10 to bypass the work area.

If you have any questions please call Moore Engineering at (701) 282-4692.

No through truck traffic.  
Only local truck traffic.

Kindred Exit
