

**1-06. Limitations on extending of load beyond side of motor vehicle.**

No motor vehicle carrying any load beyond the lines of the left fenders of such vehicle nor extending more than twelve inches [30.48 centimeters] beyond the line of the fenders on the right side of such vehicle may be operated on the highways, except as permitted by section 04. The county highway department or peace officer shall have authority to revoke permits when such holder violates or abuses the privilege or conditions of permit.
