

2-06. General conditions for all overweight movements

- a. No permit shall be issued for an overweight vehicle unless the vehicle is registered for the gross weight which the vehicle can legally carry without a permit, nor issued for loads that can be reasonably made to conform to legal limits. Overweight permits will be issued for hauling one piece of equipment only. A dozer with blade attached is considered one piece. If the blade is detached, it cannot be hauled on the same load.
- b. Overweight permits are not valid for movement on flexible pavements when the atmospheric temperature is 85° F or above.
